The company was in charge of some part of DMZ (demilitarized zone) including three GP (guard posts); 177, 178 and 179. My platoon was assigned for one GP. The Platoon consisted of 30 soldiers and 4 aids (1- sergeant first class as a sub-leader, 3-staff sergeant as a squad leader).

GP MISSION

- Watch/record every enemy's activity 24 hours a day/7days a week, analyze them, and report to regiment.
- Take a proper measure using all arms to baffle the enemy's intention incase of an emergency situation such as sudden attack.
- Hinder the enemy's attack and secretly invade their camp to collect information in case of a war.
- Search certain areas every morning and evening to make sure the areas are safe and to maintain trenches and communication facilities such as phone lines between trenches and the GP.

RESPONSIBILITIES

- Responsible for leadership, training, and discipline of soldiers of the platoon.
- Kept the 27 regiment apprised of all the information regarding the enemy.
- Figured all kinds of platoon needs e.g. food, cloths and other necessities.
- Responsible for maintaining the facilities of GP.
- Maintained high standards of personal appearance and conduct in the platoon.
- Organized and maintained an effective chain of command.
- Kept the commander apprised of the status of the platoon at all times.

SELECTED ACHIEVEMENTS & CONTRIBUTIONS

- Successfully completed five GP missions.
- Created 16 paths, which is 32km, in DMZ.
- Revised company's 'war game plan', which is essential in 'regiment strategy practice', and successfully finished 'regiment strategy practice.'
